

## Bulky waste and electrical waste

All larger or electronic objects, such as:

- **Household effects**, e.g. bicycles, garden furniture, tables, chairs, cupboards, mattresses, shelves, carpets, bulky plastic items
- **Large electrical appliances**, e.g. washing machines, dryers, refrigerators and freezers, ovens and cookers, dishwashers, televisions
- **Small electrical appliances**, e.g. coffee machines, toasters, irons, computers, shavers and drilling machines belong in the separate e-waste collection. **They can be handed in free of charge:**
  - to the recycling centres Altenessen (Lierfeldstraße 49) and Werden (Laupendahler Landstraße 150)
  - to the EBE mobile hazardous waste collection service
  - to some retailers (from 400 m<sup>2</sup> sales area)

Please arrange your **free bulky waste schedule** by

- phone **0201 / 854-2222**
- e-mail **sperrmuell@ebe-essen.de**
- online at **www.ebe-essen.de/sperrmuell-online**
- **or via the app (We're cleaning up!)**

The types of bulky waste (metal, plastic, wood, other bulky waste and electrical appliances) are disposed of separately, so you may receive several schedules.
